Roma Mitchell Secondary College Parents and Friends Association

The meeting held on 30 November 2015 went well and we are now seeking ministerial consent for our constitution. It was generally agreed that the Roma Mitchell Secondary College Parents and Friends Association (RMSC P&F) should be a conduit for spreading information and goodwill between parents and between the school and parents in an inclusive and community-minded manner.

Students like to know that you are interested and there for them. It is useful to share experiences with other parents and parental involvement is highly valued by the school. Parents have a range of skills and talents and these are all welcomed.

The Association is aiming to have a couple of meetings per term and a presence at some school events.

Everyone is welcome! Come along for a chat and a cuppa or raise questions or put forward ideas and we will see how we can progress.

Where: Roma Mitchell Secondary College  
When: Monday February 15 2016  
Location: Administration Building 1, meeting room  
Time: 7.30pm
