Roma Mitchell Secondary College

Roma Mitchell Secondary College has been built to provide a rigorous, quality education for families living in the inner northern suburbs of Adelaide. The school is designed to support students aspiring to University, TAFE and other relevant community pathways. The school is made up of three distinct campuses; girls only education, coeducation and special education. Students have the broader curriculum advantages of a large school and the security and support of being part of a smaller learning community.

The Specialist Sport Program (SSP) is offered from years 8-12 providing elite and talented students a means of maximising their potential as athletes, while developing their educational, emotional and social well-being.

Students in our Specialist Sport Program will spend lesson time developing their skills whilst working with elite coaches in state of the art facilities at the school and/or in the community.

RMSC- Specialist Sport Program (SSP)

Roma Mitchell Secondary College offers a Specialist Sport and Physical Education program. We aim to achieve best practice in Physical Education and Sports in a manner that promotes talented athletes while developing healthy lifestyles for all members of the school community.

In achieving this goal we have established three complimentary programs:

- The Specialist Sport Program (SSP)
- The Physical Education Program (PE)
- The School Sports Program

The Specialist Sports Program is an innovative, exciting and demanding course that caters for students with an acknowledged high level of sporting prowess and commitment to a particular sport.

2016 Specialist Sport Program

Entry Requirements

1. Candidates must complete an Application Form available from the school website www.rmsc.sa.edu.au or collect a form from Student Services at either the Girls or Co-Education Campuses of the school. This form must be brought to the trials.

2. Students must then attend a trial for their chosen sport. All trials will be held at the venues listed below.

   - Soccer Thursday 21st May 2015 11.30 -12.30 RMSC (come to the co-ed front office at 11.15am)
   - Hockey Thursday 21st May 2015 11.30 -12.30 RMSC (come to the co-ed front office at 11.15am)
   - Cycling Thursday 21st May 2015 11.30 -12.30 RMSC (come to the co-ed front office at 11.15am)

Candidates should arrive 15 minutes prior to the scheduled start time and be suitably attired.

For further information on the Specialist Sports Program please contact either Adam Carter or Darryl Ashby at the school on 8161 4600.

SSP Sport Options*

- Soccer (Co-Education)
- Soccer (Girls only)
- Cycling
- Hockey

*All Sports are gender inclusive

continued overleaf
Student Eligibility for the SSP

Students applying for the SSP must meet the following criteria:

- High level of ability and performance in both a training and competitive environment.
- Positive and enthusiastic attitude to support personal development.
- High potential in their identified sport.
- High level of coachability and a desire to seek and develop through feedback.
- High motivation and ability to improve skills and knowledge in all aspects of their schooling.
- Provide a positive role model for others in their approach to learning, discipline and behaviour.

Students are encouraged to play/compete for a peak body affiliated club outside of school.

SSP Pathways

The SSP will also provide the structures and processes that support student access to a range of post school options.

This is achieved by offering a broad range of subjects that are directly linked to their chosen sporting pathway. These subjects provide students with both SACE and Industry Accreditation through Years 8-12.

Through this program, students will complete their sport specific coaching and officiating accreditation, including completing their SACE and achieving an ATAR.
