Principal's report

Welcome back to Term 2. Thank you to our families for attending our parent / teacher night. It was fantastic to see so many of you taking the opportunity to meet with our staff. Students are also encouraged to come along with you to discuss their progress with their teachers.

Principal's Tours

This year we have introduced Principal's Tours of the campuses due to the numerous requests we receive from prospective families. Already this Term we have conducted three tours with more planned for subsequent Terms. Details about these tours are on our website and Facebook page. Families are also welcome to attend our Special Education Campus Open Day on Wednesday 27 May, commencing at 9:15am.

Staffing Update

Congratulations to Diana Hinic who is acting as Science Coordinator and Monika Mangla who is acting as Maths and Numeracy Coordinator until the end of Term 2.

We welcome some new staff to our school this Term. Chloe Lyons is back with us teaching Stage 1 English and Year 10 ESL, and Bianca Rawlings teaching Stage 1 English and Years 8-12 Literacy to our Aboriginal students. Greg Johnson has been employed to work with the Year 8-12 Aboriginal students on their Maths. Vandana Hahjan is teaching Year 8-12 Home Economics whilst Egilda Coloruotolo is on leave and Birte Biehler is teaching German whilst Annelise Gill is on maternity leave.

We also welcome Aphinya Direski from Thailand who has been work shadowing our teachers for three weeks.

Science Technology Engineering and Maths (STEM) Year 6/7 Program

Thirty Year 6/7 students from primary schools located in the near proximity of our school, applied for 20 places to undertake our STEM program which will be held on Wednesday mornings during weeks 4 to 10 Term 2. The interest for this program has been so strong that we are planning to hold another one in Term 3 and an all girls' program in Term 4.

Torrens Partnership Review

Our school is one of 17 sites who form the Torrens Partnership. In week 2 of this term our partnership was involved in an external review held by DECD. The key topics discussed were our results in Numeracy, Reading, SACE and student attendance. Each site leader was asked questions about their data and what strategies they are implementing to improve. Our school received very positive feedback about the improvements we have made over four years.

Australian Council of Educational Leadership (ACEL) Award

On Friday 13 May I was delighted to be presented with the Educational Leadership Medal Award. This award acknowledges and honours exceptional leadership in a school. I was one of three recipients for this award.

Successful leadership in a school cannot be achieved alone. It

involves a whole team of leaders, and a supportive staff and community. I would like to thank and acknowledge the very talented leadership team and staff of Roma Mitchell Secondary College, who have been dedicated and committed to work with moral purpose to raise the bar and close the gap in student achievement. Thank you also to the community for your positive participation and involvement in our school over the last four years.

Sandy Richardson
Principal

Curriculum Report

Year 9 NAPLAN TESTS

All of our year 9's have worked really hard to complete the National Assessment Program, Literacy and Numeracy (NAPLAN) tests last week. We were really pleased by their positive attitude to the testing. The tests will help teachers to determine students' strengths and weaknesses in both literacy and numeracy. The teachers will use the test results to continue to plan strategies to improve student learning. Parents will receive results in September and will be invited to attend interviews with their son or daughter's English and Maths teachers to discuss the results.

Parent Curriculum Committee

Our Parent Curriculum Committee will continue to meet this year twice a term, on Friday afternoons, to discuss school policies related to learning. The Committee has an important role in giving feedback and making suggestions about a range

of curriculum issues, including Special Education, SACE support for parents and students, our International Baccalaureate Middle Years Program (IBMYP), Aboriginal Cultural Perspectives across the Curriculum and Languages Other than English. Please contact the school if you are interested in attending these meetings or if you cannot attend but would like to provide feedback.

Professional Development Day (Pupil Free Day)

A Pupil Free Day was held this week on Friday 22 May. During this day teachers participated in professional development. The first two sessions of the day involved teachers across the three campuses writing unit plans using the Australian Curriculum, IBMYP and SACE frameworks. It provided an opportunity for teachers to further develop their programs to engage our students in rigorous learning opportunities. In the afternoon teachers participated in one of the following workshops: Managing Challenging Behaviours; Flexibility in the SACE; Differentiation in Maths: Literacy for Learning; Giving Feedback; Literacy for Boys; Interdisciplinary Learning.

Mid-Term Snapshot Grades for students in the Co-Educational and Girls' Campus

Parents want to know how their son and daughter are progressing in their subjects, while there is still time to complete work and improve the end of Term grade. This week our teachers will be reviewing the work completed by students for this Term. They will then assign a grade for each student based on work done so far. These mid-Term snapshot grades will be sent home to parents. They will also be shared and discussed with students during their Pastoral Care program. Students will work together with their care group and subject teachers to discuss and plan improvement strategies. This process is important in helping students improve their learning and grades.

Pepe Bouzalas
Deputy Principal

Aboriginal & Torres Strait Islander Education

This Term we would like to welcome two new staff to the Aboriginal Education team, Bianca and Greg. They will be providing our students with Literacy and Numeracy support in their subjects.

It is another busy Term with a number of events happening. In Week 3 we had Years 8 and 9 students representing RMSC at the Andrew McLeod Football Challenge.

In Week 4, the AIME (Australian Indigenous Mentoring Experience) started for our Years 9 and 10 students at the UniSA, Mawson Lakes.

In Week 5 it is Sorry Day and Reconciliation week. The Aboriginal Education team and some senior students will be attending the State Reconciliation breakfast during that week and other events are planned for students at RMSC to take part in.

Later in the Term there is a University Pathways Conference for our senior students to attend, along with the Career Walk. More details will be sent to students and families about these events as they approach.

Finally, our second Parent meeting for the year will be held in Week 8 on Wednesday June 17th at 5:30pm. Invitations will be sent out to families shortly.

Sarah Afshin Pour
Aboriginal Education Coordinator

Special Education

Our focus on curriculum development during recent years has resulted in numerous improvements in learning opportunities for all students across our three campuses. As a result of these improvements we have gathered a variety of data which enables us to accurately record student achievement. The data relates to oral language, Picture Exchange Communication System (PECS), reading levels, sight-words and numeracy. We are currently working on ways to make this information more accessible to all caregivers so that each milestone can be celebrated by all those actively involved in the student's development. Our starting point is to ensure that all data relating to each individual student is included in the Term 2 report and we will of course welcome your feedback on this.

On Wednesday the 6th May Special Education classes from across our three campuses attended the annual Athletics for All Abilities event organised by Secondary School Sport SA. Many caregivers will be aware that this is one of the most important dates in our calendar and one which provides lasting memories

for all of those in attendance. This year provided another milestone as the inclusion of the Special Classes from both the coeducation and girls campuses increased not only our numbers but also the real sense of community at both a school and statewide level. During the day a number of people commented on the both the size and inclusive nature of our contingent as well as the commitment of both teachers and SSOs, who worked tirelessly to support and engage all of our students throughout the day. Despite the occasional shower the day was very successful and the students had opportunities to participate in a variety of events at South Australia's premier athletics venue. The events included the 100m, 200m, 400m, high jump, long jump and shot put. These days offer all of our students a multitude of learning opportunities relating to organisation, social interaction and participation. Their engagement during the day was clear for all to see and we will share images of the day in our forthcoming Special Education newsletter. The organisation of any excursion which involves almost one hundred students from three different campuses is a huge undertaking. I would like to thank Gemma Upton on behalf of all the students and staff for her leadership in organising this day which was an unprecedented success.

Andrew Gilsenan-Reed
Head of Campus
Special Education

Girls' Campus

All students have returned well to a very busy Term. We have a number of new enrolments in the Girls' Campus and some year levels are full.

We are now running the extra classes in years 8 and 9 and all the middle years students have settled in to the changes extremely well. Welcome to Natasha Ramsay and Sarah Broadbent who are our two new middle years teachers based in Building 4.

Congratulations to all the winners of achievement awards from first Term. The number of girls receiving high Grade Score Averages and/or simply improving their grades overall has been very pleasing to see. The award winners will be presented with their certificates at year level assemblies in week 4. Congratulations to the following girls:

CONSISTENT IMPROVEMENT

Oly Par Aicawn

This Term is filled with exciting events for all students. There are a number of theatre productions that students across a range of year levels will attend. One of our students Cassidy Taylor is performing in the Come Out Production 'A Kid Like Me' and year 8s and 9s will be offered the opportunity to attend in week 5. The production ties in well with our Child Protection Curriculum which is being taught through our Pastoral Care Program.

Year 12s are preparing for the formal and both year 11 and year 12 students will have exams later in the Term. These

exam experiences are important preparation for the year 12 external exams that many students must complete as part of year 12.

Year 10 girls are preparing for their PLP in second semester and are also working on a number of work related skills through the Pastoral Care Program. Please see the information about Work Experience for year 10 that is included in this newsletter.

Judith Clelland

Head of Girls' Education Campus

Co-Education Middle Years Campus

It has been a really busy first two weeks of this Term with students settling quickly back into routines. The two newly formed classes in Year 8 & 9 are in the process of settling into routines along with the reforming of new English classes that are aligned to Care Group teachers. Last week we had a fantastic number of parents attend our teacher /parent interviews and it was great to meet so many new parents on the night.

Congratulations to the following middle school students who received awards for their achievements in Term 1.

Bianca Reyes
Arpit Chhabra
Hannah Smith

Year 9 Academic Merit Certificates

Matt Duggan

During the first 2 weeks of this Term we have also hosted 2 Principal Tours on Friday mornings and had our District Director visit the middle school last week to spend time in year 9 classrooms. Many thanks must go to Year 8 SRC representative Lucian Popescu and Sarah Tadic for acting as tour guide hosts for visiting parents.

Last week we also had the NAPLAN testing take place for our Year 9 students and we will eagerly wait for these results later in the year. This is a large logics exercise for us but just one of the ways in which we track and monitor our individual student progress.

This Term our Middle School Pastoral Care Program focuses on Relationships with work being done on the topics of Rights and Responsibilities in Relationships, Power in Relationships and Bullying as an Abuse of Power.

With the colder weather hitting us rather quickly we have had taken the opportunity to display a range of jackets that are available to students in our middle school common areas. Our new year 8 students are displaying a great deal pride in wearing their correct uniform and feedback from all students has been very positive.

In the middle of Term 3 our year 8 students will take part in one of two three day camps to be held at Woodhouse in the Adelaide Hills. These have been highly successful in recent years and students will receive a letter to bring home to parents in the next week.

Darryl Ashby
Head of Co-Education
Middle Years Campus

Co-Education Senior Years Campus

Senior years assembly – highlights

On Wednesday the 13th of May Year 12 SRC members and the Year 11 Prefects hosted the Senior Years Assembly. The program showcased curriculum highlights from Term 1 including videos of the outdoor education surfing camp and SANTOS athletics carnival. Year 12 music students presented a cover of the recent hit “Lay me down” by Sam Smith and

students from the STEM innovation Challenge team presented a progress report.

Pastoral Care

The pastoral care program in Term 2 begins with students taking time to reflect on their Term 1 achievements. This included setting specific goals to improve progress in their learning and to provide strategies that can assist them to achieve their goals. Very successful parent teacher interviews were held on the 6th of May that enabled the learning conversations with parents and students to support these strategies and improve academic achievement.

The Year 10 Child Protection Curriculum this Term focuses on recognising and assessing risk in the worksite including protecting yourself and understanding power in relationships. The year 11 focus is also about recognising risk and managing pressure within the context of developing study skills but also exploring the issues of responsible driving. Year 12 students are exploring the development of respectful personal relationship and defining abuse.

Academic awards

Congratulations to the following students who received academic awards for Term 1 achievement.

Semester 2

Year 10 and 11 semester 2 subjects' will commence on June the 23rd (week 9, Term 2). Over the coming weeks students in year 11 will be reviewing semester 2 subject choices with their care group teacher. Please discuss possible changes from initial subject selections with your son or daughter's care group teacher or year level leader/manager

Exam preparations**Year 12**

Mid year exams for the year 12 students will be held from Monday 15th to Wednesday 17th of June (week 8, Term 2). Mid year exams are a component of the assessment process and are not the end of the course.

Year 12 students must continue to manage their time effectively and efficiently so that they can prepare for exam subjects and also maintain normal assessment deadlines in other subjects.

Year 11

Year 11 Mid year exams will take place after Queens' Birthday from Tuesday the 9th of June until Friday 11 June (week 7, Term 2).

General information relating to exam week and an outline of the exam timetable will be distributed in the near future. As part of the revision process prior to the exam, year 11 subject teachers familiarise students with their subject examination structure.

Roma Mitchell Secondary College Formal

The year 12 Formal will be held on Friday 5th June 2014 between 6.30pm and 11.00pm in the Star Room at the Adelaide Entertainment Centre. The year 12 Formal Committee are working to make sure this event is a memorable evening for our students. Students are in the process of finalising payments by no later than Monday 25th of May 2015 (week 5, Term 2).

Louise Mather

SA Excellence in Public Education Awards **Share Celebrate Reward**

Nominations are now open for the 2015 SA Excellence in Public Education Awards.

The Awards recognise and reward the outstanding contributions made by teachers, leaders and support staff from across the state.

Don't miss your chance to nominate an outstanding education professional within DECD to recognise and reward their dedicated and inspirational contribution to young South Australians.

For more information and to nominate an employee at your school go to: www.decd.sa.gov.au/awards.

Like us on facebook and follow the progress of the Awards: www.facebook.com/SATeachingAwards.

Nominations close 5pm, 3 July 2015

For further information contact the Awards team on 08 8226 3079 or email DECD.Recognition@sa.gov.au

Secondary School Sport SA Cycling Tour

The Secondary School Sport SA Cycling Tour championship was held at McLaren Vale and Sellicks Beach on Thursday 7th & Friday 8th May. The tour consists of four stages - Stage 1 10km Time Trial ; Stage 2 Road Race (17 – 68kms); Stage 3 Criterium; Stage 4 Road Race (12 - 24km's).

We had 5 competitors, Albert Beauchamp and Daniel Chiuchiolo in A grade, Matthew Holland in B grade, Brayden Porter in C grade, and Kahlia Dalfsen in girls B grade. The best-performed Roma Mitchell student was Matthew. He was wearing the leaders yellow jersey after Stage 3, but found the hills a little tough in Stage 4, dropping back to second overall, which was still an outstanding result.

Other top performances were from Brayden in Stage 3 and 4, which took him to Fourth in C grade and from Daniel in Stage 3. In the battle for the champion school Roma Mitchell was equal fourth and once again, this was a great result.

Overall the students represented the school in an outstanding manner, competing in good spirit and doing the right things off the bike.

Dave Gomer
Specialist Cycling

Debating

During week 2, the first round of the Debating SA inter school competition kicked off! Round 1 saw the RMSC year 9 team face Pembroke at Pembroke Senior School debating That Anchorage's "Iditarod Trail Sled Dog Race" should be permanently cancelled. We were the negative. Our team comprised of Girls' campus students Shokria Hussain, Morsal Haidari, Sanjam Kaur and Yaman Sultani. It was the girl's first experience at inter school debating, and despite researching very hard and speaking very well, we lost to Pembroke by one point! The scores were 86.33 to 87.33. Special mention goes to Sanjam Kaur for being awarded best speaker on the night, well done Sanjam!

The year 10 team comprised Girls' campus students Sonali Gupta, Jessica Chau and Charlotte Coley who faced Aberfoyle Park High School at Adelaide High. The topic was That medical use of marijuana should be legalised. We were the negative. Again this team included some first time debaters, but unfortunately we lost the debate 76 to 86.50.

The senior school team comprised Sanen Shahzad, Criscell Del Rosario, Brittney Higgs and Shirley Peng. They faced Pultney Grammar School at Adelaide High. The topic was That Amy should not have been disciplined, and required the students to debate a recent news article. We were the affirmative. Again it was close, but unfortunately we lost 83.33 to 86.67.

Interschool debating continues for 4 more rounds. The next round is in week 5, and sees the year 9s face a different Pembroke team at Pembroke Senior School, the year 10s face Westminster School at Adelaide High, and the Senior team face Cardijn College at Adelaide High. Stay tuned for their results in the next newsletter!

Melanie Hawksley
Debating

Library News

Welcome to Term 2 in the Library. Our ANZAC display has created much interest among staff and students. Our borrowings continue to increase with over 2,500 items borrowed for this Term so far.

We are continuing to consolidate our resources by introducing many new titles, fiction and non-fiction, which have been well received by students. The Premier's Reading Challenge is still ongoing and attracts students to keep borrowing and reading.

Students have commented on the open layout of the library and the way in which the bean bags, especially in the Girls' Campus area of the library, have contributed to a more comfortable learning environment.

We are looking forward to setting up our next display which will incorporate the development of writing that leads into Writer's Week.

Peter Evans
Teacher Librarian

Homework Centre

The Homework Centre will be open and available to students every Tuesday and Thursday afternoon from 3.15 until 4.30pm.

There will be a letter coming home so that parents/carers can sign a form to give permission for their son or daughter to attend these sessions. The sessions are supervised by staff members who are also available to provide support to students as they are working through their homework or revision tasks. Staff in the Resource Centre need a note of permission so that students' safety can be monitored. Students will sign in when they arrive for the Homework session and they will also sign

out when they leave. We believe that this procedure will assist parents/carers when they are organising to collect students from the school or expecting them at home at a particular time.

If you would like further information about these procedures and the ways in which the Homework Centre can support your child's learning please contact Hung Doan, Senior Leader, Learning Technology and Data Management on phone: 81614600.

Innovation Challenge - 3

The team participating in the UniSA innovation Challenge has been working efficiently and has been making progress in all of the challenges.

On the 29th of April we participated in the science challenge day. Our craft worked perfectly and went out 2 metres to collect the water. We tested the pH, salinity and temperature of the water and completed the Water Analysis report on time with 10 minutes to spare. We also submitted Final Technical Report for the challenge on that day. Our team worked really well together. After all the hard work that we had done, we succeeded in winning the science challenge.

The Technology Challenge is moving forward and now has the car moving and we are working on the programming for the robot car to be able to control it for the speed and point challenge in the competition. We are also learning to print 3D parts for our robot car.

We now have an A0 size poster ready to start drawing our suburb plan for the Maths Challenge. We made a survey to find out what type of houses students live in and what they would like to have in their suburb, so we could make the calculations for the various different house types and facilities that we would need to include in our project planning for the new suburb.

Students have worked hard in the holidays to complete work for the different challenges. Everyone is enjoying and learning many new skills from being a part of UniSA innovation challenge.

Kaitlin Newell
Innovation Team

DayMap Connect **Training Seminar for Parents**

We will be conducting training sessions for parents where I will run through step by step instructions on how to access and use the DayMap Parent Portal. There will be a morning session at 9.30am on Tuesday the 2nd of June and an evening session starting at 5.30pm on Tuesday the 2nd of June. If you are interested in attending, please contact Rachael Davis on 8161 4622 to reserve a place.

Please bring along your smartphone, Ipad, tablet and/or laptop with an Internet connection to the session. However, if you do not have any of these devices, please inform Rachael Davis and we will arrange for an Ipad to be available for you to use on the day.

If you would like to download instructions on how to use DayMap Connect, please visit:
<http://rmsc.sa.edu.au/downloads/>

Hung Doan
Senior Leader in Learning Technologies

Quiz Night

Let's get together later this year for a fun Quiz night!

Our school has a wonderful and diverse school community that we are very proud of and the Governing Council would love to bring our families together for a social event from time to time. The first of these events is proposed to be a Quiz Night in Term 4.

The involvement of our parents and families is invaluable to the school's effectiveness and vibrancy and helps us all to learn more about our local school community. The proceeds raised from these events will also significantly assist with helping to provide students with resource needs above the normal services offered in our schools.

To make these events successful we will require some of your help. We are seeking parents, students and staff to be part of a fundraising committee to assist with arrangements. This informal group will provide a great opportunity for you to meet and talk to other parents, have a coffee and some nibbles. The more people involved the more successful our events will be –

“more hands make light work”. Any help will be greatly appreciated.

Please join us for the Fundraising Committee's first get together on Wednesday 3rd June at 7pm in the main administration building's (dark blue) meeting room. Hope you can come. Look forward to seeing you then.

Di Lomas
Chairperson
Governing School Council

Finance

2015 Materials and Services Fees are now overdue. Payment can be made by cash, credit card, eftpos, cheque and direct debit (see information below).

Direct Debit

The school is now also offering direct debit payment plans. Payments can be made from your nominated bank or credit card account. Payments can occur weekly, fortnightly or monthly.

If you think this payment option will assist you in finalising amounts outstanding for school fees, laptops or uniform, please contact the Finance Manager on 8161 4600 to arrange a suitable time to set up an instalment payment plan.

Thankyou to families who have already made payments.

School Card 2015

Parents/Caregivers are reminded that a new school card application must be submitted every year. Forms are available at Student Services.

Please contact Student Services on 8161 4644 if you require any information regarding eligibility or assistance with completing the application.

Approved School Card applicants are relieved from paying the Material and Services Charges.

Friendly Reminders

Laptop Commitment to Pay Plans: the second instalment is due to be paid by the end of May.

Carmel Hall

Fundraising

Entertainment Book

We are selling the Entertainment Book .

If you wish to order an Entertainment Book, you can order online at:

<https://www.entertainmentbook.com.au/orderbooks/1678m40>
You have the option to purchase a digital copy or a hard copy of the book, which can then be collected from the school (you will need to produce your receipt at the time of collection).

If you wish to purchase directly from the school, they are now available for the price of \$65.00 and can be obtained from the front office, Administration Building (dark blue building).

Second Hand Uniforms

Devon Clothing Totally Schoolwear has introduced two options for families to sell and buy second hand uniform items. The options are:

Option 1

Register uniform items with Totally Schoolwear Clovercrest by filling in a second hand uniform registration form available from Totally Schoolwear Clovercrest or Roma Mitchell Secondary College. Once the form is completed return it to Totally Schoolwear or alternatively the school can return it to the shop on your behalf.

If families are interested in buying a second hand uniform item, they can contact Totally Schoolwear Clovercrest. The shop will check their data base and give out the relevant information on how to purchase the uniform item. This option is now available for families to use.

Option 2

Register online with the Sustainable School Shop www.sustainableschoolshop.com.au. Once registered, families are able to enter the uniform item they wish to sell or buy online.

Please contact the school if you have any queries about the second hand uniform service.

Uniform

A reminder to parents/caregivers that on Wednesdays from 2.15 till 4pm in Student Service (Red Building), students are

able to access the school uniform fit range to try on uniform before ordering from Totally Schoolwear. Our Students Services staff are happy to help you with sizing.

Roma Mitchell Secondary College introduced a new cardigan, end of last Term we had students take up purchasing of the new cardigan. We are currently working with Totally Schoolwear (Devon) to do another pre-order at the beginning of next year.

Rachael Wieland
Business Manager

Contact Information

The school office is open between 8.30am and 4.00pm each school day. Our friendly staff will help you with any questions or queries.
